way to prevent a turtle from exercising the prerogatives of causing have on the deck of a steamship.

The question as to whether a turtle is an animal or not has been in the courts many years. The oldest gray-haired supreme Court attendant now in service said to-day that his grandfather, who at one time had been an Officer of the Port, had told him, when he was a little boy, that Judges had been striving sufficient.

The daily use of POSLAM SOAP, an absolutely pure soap medicated with Poslam, is of inestimable benefit to all whose skin is subject to eruptional troubles. Soothes tender skin; never irritates; ideal for baby's bath; best shampoo for dandruff.

anthropologists and piscologists, who will enlighten the jury on this subject. Dr. W. Reid Blair, who is the zoologist attached to the New York Zoologist Park, evidently believes a turtle is an unimal. He told Magistrate Freecht, the time of Capt. Downs's arrest, in October, 1911, that he had often operated on turtles and was satisfied that the filippers were a flexible cartilage connecting with other parts of the body, which, in turn, connect with the nervous system that is not in the body of anything but an animal. Dr. Blair, however, concedes that the turtle is cold blooded.
